TOWN WARRANT

To the inhabitants of the Town of Tamworth, in the County of Carroll qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Tamworth on Tuesday the 11th day of March at Ten of the clock in the forenoon to act up on the following subjects:

1. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same. \$6500 is approved by the finance committee.

2. To see what sum of money the town will vote to raise and appropriate for repairing highways and plowing snow for the ensuing year. \$7200. approved by your committee.

3. To see what sum of money the town will vote to raise and appropriate for sanding roads. \$800 is approved.

4. To see what sum of money the town will vote to raise and appropriate for repairing & building bridges. \$1200 approved.

5. To see what sum of money the town will vote and appropriate for Memorial Day observance. \$35.00 for flags and redecorating the Plaque. Approved.

6. To see what sum of money the town will vote to raise and appropriate in addition to the amount required by law for the support of the Town Library. The sum recommended and approved to be raised as a whole is \$400. Approved.

7. To see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes.

8. To see if the town will vote to raise and appropriate the sum of \$1200. for repair of road equipment, road maintenance and general highway. Approved.

9. To see if the Town will vote to raise and appropriate the sum of \$1000. for support of the Tamworth Community Nurse. Approved.

10. To see if the town will vote to authorize the selectmen to distribute the inventory blanks at the time they examine and appraise taxable property.

11. To see if the town will raise and appropriate the sum of \$4000. for Tarvia. Approved.

12. To see what sum of money the town will vote to raise and appropriate for upkeep and maintenance of the Tamworth Fire Precinct. \$400. Approved.

13. To see what sum of money the town will vote to raise and appropriate for upkeep of the Wonalancet Fire Precinct. \$100. Approved.

14. To see if the town will vote to raise and appropriate the sum of \$164. to the Lakes Region Association, for the purpose of publicizing and promoting the natural advantages and resources of the town, together with other towns in the Lakes Region. Approved.

15. To see if the town will vote to raise and appropriate the sum of \$300. to be divided equally among the three road agents for cutting bushes on the road side. Approved.

16. To see if the town will vote to raise and appropriate the sum of \$25.00 for the upkeep and care of shrubs and plants around the Town Buildings. Approved.

17. To see if the town will vote to authorize the selectmen to administer or dispose of any real-estate acquired by the town through tax collector's Deeds.

18. To see if the town will vote and appropriate the sum of \$300. to be divided equally, between the Laconia Hospital, North Conway Hospital and Huggins Hospital. Approved.

19. To see if the town will vote to raise and appropriate the sum of \$175. for firemen's insurance, in compliance with the Public Laws of the New Hampshire, Section 4, Chapter 146, Paragraph 16. Approved.

20. To see if the town will vote to raise and appropriate the sum of \$200. for White Pine Blister Rust Control, to be spent in cooperation with the State Forestry and Recreation Dept. Approved.

21. To see if the town will vote and raise and appropriate the sum of \$2458. to be laid out on the Wonalancet State Aid road, provided the State will contribute the sum of \$4916. Approved.

22. To see if the town will vote to raise and appropriate the sum of \$1710. to finish the Wonalancet road, provided the State will contribute the sum of \$3420. Approved. This article depends what action is taken at the Legislature now in session on State Aid Roads.

23. To see if the town will vote to raise and appropriate the sum of \$1500. to be laid out on the Page Hill Road as follows: \$1100. for culverts and grading, and \$400. for Tarring. Approved.

24. To see if the town will vote to raise and appropriate the sum of \$300. for the Tamworth Outing Club for promoting and advertising winter business. Approved.

25. To see if the town will vote to raise and appropriate the sum of \$200. for Calcium to be laid out on the West Ossipee Road, by White Lake provided the State will contribute the same amount.

26. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to improve and remodel the Town Garage for the purpose of using said Garage to house the Fire Equipment. This article came from the Fire Department, and has their approval, by vote of their meeting held February 18, 1947.

27. To Choose a Selectman for three years, To choose a Town Clerk, Tax Collector, Highway Agents, Auditors, and all other officers and agents for the ensuing year.

28. To see if the town will vote to keep the polls open until six of the clock in the afternoon.

29. To transact any other business that may come legally before said meeting.

Given under our hands and seal, this 22, day of February, in the year of our Lord nineteen hundred forty-seven.

ROY E. ARLING

SECRETARY'S REPORT, TAMWORTH COMMUNITY NURSE ASSOCIATION, INC.

The work of the Tamworth Community Nurse Association, Inc., has been carried on again this year by Margaret Philbrick, R. N., who has worked so energetically and thoroughly, we are all grateful.

Altho her hours are from 8:30 to 5 daily with one afternoon and Sunday off she has given freely of her time where it seemed to her that a patient needed attention.

We should be as considerate as possible in making demands on her time. We are fortunate in having a nurse who is rendering such valuable service in our Community.

Let us in return support her in every commendable effort.

Following is a statement of her work:

Medical	551
Infant Supervision and	
Child Welfare	104
Social Service	74
Prenatal	36
Postpartum	9
Newborn	1
Business	6
Dental Clinic	55
General	193
School	165

1194 Calls

She has attended meetings in Conway, Laconia, and Concord.

She spoke on Child Welfare at the Silver Lake Woman's Club.

She spoke on School Nursing at the Chocorua P. T. A.

She has taken one patient for X-ray; one child to Dr. Lord in Laconia for glasses. A successful dental clinic was held with 30 children treated. 8 children went to Laconia Hospital for tonsilectomies, at a very reduced rate to parents.

Much clothing and food was distributed.

LIBRARIAN'S REPORT

I take pleasure in reporting a very active year both in the number of books loaned and the number received.

Over a hundred books were purchased this year and as many more were given us by Mrs. Seward Collins of Wonalancet. Other large contributors were Miss Ellen McKey and Miss Helen Lord Hughes, both former residents of Wonalancet. Smaller gifts were made by Mrs. Edwin Remick, Miss Gertrude Seiders, Mrs. Francis Cleveland and Mrs. Roland Currier. We also appreciate the Book-of-the-Month Club subscription by the Tamworth Foundation and the subscription to the National Geographic Magazine by Mrs. Clarence Hoag.

The Circulation for the year has been 2870 to over 100 borrowers.

The library is opened Wednesdays and Saturdays.

HELEN B. HIDDEN

TAMWORTH FIRE PRECINCT 1946

There were 32 calls during the year. Of these 3 were for brush fires in other towns. On July 15th we were called to Sanbornville, the most distant call received.

Of the 29 remaining fires in Tamworth:

- 11 were chimney fires
- 1 dump fire
- 10 brush and grass fires
- 5 dwelling fires
- 1 gas tank fire
- 1 automobile fire

The total estimated loss for the year was \$2365. of which the larger portion was the dwelling of Mrs. Minnie Chesley, which was totally destroyed. The fire department was not called as the building was entirely consumed before the fire was noticed.

Chimneys and lightning continued to be responsible for most of the calls. During the year a high pressure fog system was installed in the Ford pumper. It looks like a most valuable piece of equipment. It has worked out very well in tests, and has the advantage of quick action when the fire is reached. 500 feet of 2½ in. hose was purchased from the United States Government during the year.

The commissioners respectfully call attention to the fact that the La France pumper is available to any section of the town needing it. It should, of course, be kept in a heated building. This piece, while very old, is still in working condition, and we can supply sufficient 2½ in. hose to make it an asset to Chocorua, So. Tamworth, or any other section of the town where it can be readily available in case of need.

It would supplement the Precinct apparatus and would be a great saving in time if located in some

section of the town not easily reached by the Precinct department.

We wish to thank the townspeople for their continued generosity in providing funds and labor in maintaining this department.

HELP YOUR FOREST FIRE WARDEN

PREVENT FIRES — IT PAYS!

Prevention is one of the most important phases of all fire effort. This is particularly true of forest fire control work. Preventing forest fires preserves valuable forest growth and other property, conserves man power and permits their use in productive channels, saves taxpayers' money and conserves fire fighting equipment.

The prevention of forest fires is the most important and difficult part of the work of your forest fire warden who heads a local organization set up primarily for the security of your community's forest property. Appointed by the State Forester, upon recommendation of the Selectmen, he is charged by law with the responsibility of local administration of forest fire laws, fire prevention and suppression. In his work he is aided by deputy fire wardens who, in emergency, may assume his power and authority. The warden is guided in his work by instructions received from the State Forester and by the District Fire Chief who represents the State Forester.

The importance and value of the work of the forest fire warden and his deputies is, perhaps, best appreciated during hazardous periods when fire danger is greatest. The public, however, looks to him at all times for speedy and economical suppression of going fires.

To properly fulfill his mission, the warden needs the generous and understanding cooperation of the public at large. He attempts to secure this cooperation by the posting of caution notices, news items and by word of mouth, always carefully explaining the necessity of restrictions imposed. In the matter of giving cooperation, however, the public often fails. The record shows that an average of 7,300 acres of

woodland are burned over by forest fires in New Hampshire each year. Analysis of fire causes reveal the fact that more than 98 percent of all forest fires are, consistently, the result of human carelessness and are preventable.

The careless smoker fails to properly extinguish his cigar, cigarette or pipe ashes or thoughtlessly throws them from the car window; the debris burner fails or refuses to consult the warden, as the law requires when the ground is not covered with snow, before attempting to burn; campers fail to properly extinguish their fires or frequently build fires when conditions are unfavorable.

The elimination of human causes from the forest fire problem is the answer. This is not as difficult of accomplishment as it might appear at first glance. Let each one who reads this —

1. Use ordinary common sense with fire in and near woodland.
2. Comply with requirements on the use of fire in and near woodland and when the ground is not covered with snow, secure written permission to burn from the forest fire warden.
3. Be careful when smoking in or near woodlands. Don't throw lighted material from moving vehicles.
4. Cooperate with and assist the warden and urge others to do so.
5. **HELP YOUR FOREST FIRE WARDEN PREVENT FIRES** — his efforts are only as effective as is the cooperation you give him!

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Tamworth qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 11th day of March 1947, directly following Town Meeting to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see if the district will indicate to the selectmen and proper road agent its desire to keep the Pease Hill road properly sanded and plowed so as to permit safe transportation of school children.
10. To see if the district will authorize the School

Board to sell by sealed bids the Downs, Whittier and Chocorua school buildings and land.

11. To transact any other business that may legally come before said meeting.

Given under our hands at said Tamworth this 12th day of February 1947.

New heating plant	\$4000 00	
New washroom facilities	1000 00	
	<hr/>	\$5000 00
Total Assessment Required To Cover		<hr/>
Budget and Appropriations		\$28545 00

In connection with the 1947-48 School Budget, there are certain items which your school board feels should be brought to light in writing, and well in advance of the annual school meeting.

It is obvious to everyone that in this country there is a movement afoot to increase the salaries of teachers. In a recent letter from Commissioner Fuller he has suggested to school boards that they consider as a minimum salary for teachers the sum of \$1,500.00, and

that substantial increases be allowed principals and headmasters. Commissioner Fuller states that unless this salary is provided for that New Hampshire will find itself in a most embarrassing position in regard to hiring teachers next year. In accordance with the request of Commissioner Fuller your school board has allowed an increase of \$1,000.00 over last year's budget.

In connection with the payment of high school tuitions you will note an increase in this year's budget of \$1,300.00. This is so because it now appears that a total of 45 students will be going to the Kennett High School in 1947-48. This increase in the enrollment of high school students is exactly what we had hoped would happen when our boys and girls were given the opportunity of a more complete high school training. Now that they have this opportunity they are expressing a desire to avail themselves of it, and it is a credit to them and the town that this is true.

There is an increase of \$70.00 in the amount budgeted for Superintendent's Excess Salary. This amount, as you all know, is established by the Supervisory Union, and not by your school board.

There is this year a new expense for all school districts in the state and this is an amount of \$225.00 for the Teachers' Retirement Fund. Here again is an item over which your school board has no control.

The budget item of \$600.00 under the heading of "Other Special Activities" is of great interest to our boys and girls, and should be of even greater interest to the Tamworth taxpayers. This item provides for transportation of the high school students from extra curricular activities such as sport practices, dramatics, clubs, etc. It is the feeling of your school board that our students should be allowed the opportunity of participating in these activities and that this should be a rightful obligation of the school district.

The Special Appropriation asked for will be explained in detail at the school meeting, but it should

be pointed out here that the present heating system is old and unsatisfactory as are the washroom facilities.

In all the 1947-48 budget, including the request for the two Special Appropriations, amounts to \$8,850.00 more than last year. Since the Special Appropriations are in the nature of capital expenditures and not connected with the operation of the schools it is evident that the 1947-48 budget is increased over last year by the total amount of \$3,850.00. Of this amount, \$3,195.00 is accounted for above and will be accepted or rejected by the voters.

REPORT OF SCHOOL NURSE

The yearly examinations of the children were done by Dr. Remick and your nurse with the following defects found. Much of this has been corrected during the year.

Malnutrition	14
Vision	3
Hearing	
Hard of hearing	3
Wax	2
Skin	4
Posture	4
Pediculosis	1
Tonsils	10
Breathing	5
Glands	
Enlarged	5
Ductless	2
Heart	2
Orthopedic	13
Anaemia	1
Teeth	12

Nov. 26 — Audiometer used on 3, 4, 5, 6, 7, & 8 grades. 83 children examined — 1 found hard of hearing.

Dental clinic cared for 30 children, with 20 receiving complete care.

8 children had tonsils removed.

Respectfully submitted,
MARGARET PHILBRICK, R. N.

REPORT OF SUPERINTENDENT OF SCHOOLS

February 1, 1947

To the School Board and Citizens of Tamworth:

Probably at no time in the history of this country has the attention of the people been focused so sharply on problems of education. Seldom, if ever, have these problems been so acute. Competent authorities report that during the past five years 350,000 men and women have left the teaching profession. Marked increases in the cost of supplies and in teachers' salaries have increased the cost of school operation to a serious degree. The tremendous problems of the war years we met and solved. The problems of peace are of no less magnitude. Careful appraisal of the adequacy of the American schools to meet the needs of children and the welfare of the nation is a continuing year by year responsibility of American citizens. We made immeasurable sacrifices of life and strength and wealth to defend the basic tenet of the American way of life, that of the dignity and worth of the individual. We must still defend this tenet against hostile political faiths. That defense must be built in American schools.

American children have an assignment with destiny that is not optional. They will live in a world of incredible complexity, of racial and class tensions, of international frictions, and of inevitable change. They must find their way in this world and must have the education which will help them do so.

The people of Tamworth took a courageous and far-sighted step forward when they voted to close the high school and consolidate the elementary schools. In September, 1945 Tamworth High School registered 36 pupils. By January 1, 1946 a third of these had dropped out. This year 37 pupils from Tamworth enrolled in Kennett High School and as of this date 36

are still enrolled. Analysis of the subjects these pupils are studying is enlightening. Besides the regular academic subjects pupils are registered in vocational subjects as follows: 15 in home economics; 13 in shop; 5 in vocational agriculture; and 11 in typing. A large per cent of Tamworth boys and girls are participating in extra-curricular activities such as sports, glee club, orchestra, and others. Many have been on the Kennett High School honor roll.

125 pupils are enrolled at the Tamworth Elementary School, with the following teachers: Grades 7 & 8, Principal Edwin A. Blackey; grades 5 & 6, Mrs. Elizabeth Sutherland; grades 3 & 4, Miss Gray McBride; grades 1 & 2, Mrs. Lois Boothby. Mrs. Helen Hidden directs the glee club and orchestra and assists in the class singing periods. The health of the pupils is cared for most efficiently by Margaret Philbrick R. N., Community Nurse. The many activities under the direction of the teachers provide much needed social experience and is promoting an excellent spirit in the school. Instructional moving pictures are shown frequently. A recently purchased still-film projector and twenty films is an invaluable addition to our visual aid equipment. It is the intention to add films from year to year so that teachers will have an excellent film library available at all times. The attendance record has been excellent so far this year. A great improvement over previous years.

There is urgent need of enlarging the wash-room facilities and provision of a rest room for teachers.

The great majority of our pupils have to bring their lunches. I strongly recommend that provision of hot lunches be seriously considered. Federal funds are available to defray half the cost of equipment and for a portion of the cost of the meals. In most communities where hot lunches are served a small charge is made and the rest of the cost is provided for by some local organization or through appropriation. A warm

meal of properly balanced food contributes much to the development of growing children and to the maintenance of good health.

The very helpful cooperation of the School Board members, the teachers, and the citizens of Tamworth is most sincerely appreciated.

Respectfully submitted,
EVERETT H. BRASIER

STATISTICS

(Data based on the school year 1945-1946)

Number of weeks of school year	38
Average number of half-days in session	356
Total number of different pupils registered	
Boys 87	171
Girls 84	
Average membership in elementary schools	131
Average membership in high school	25
Per cent of attendance in all school for the year	90.86
Number of cases of tardiness in all schools	74
Number of pupils transported at district expense	22
Number of visits made to school by:	
School Board members	9
Citizens	125
Superintendent	212
Number of School Board meetings held	16
Perfect attendance for school year 1945-46:	
Alton Ryder	
Peter Welch	

To the School Board of Tamworth:

The Tamworth boys and girls attending Kennett High School have adjusted themselves very satisfactorily. For the first half year there were 4 with honors in three subjects; 3 with honors in four subjects; and 9 with perfect attendance. Two Tamworth boys were on the football team, one being in the starting line-up for most of the games. Several boys and girls are taking part in the basketball program. Twelve out of the twenty-eight in the Girls Glee Club are from Tamworth. They are also active in the Orchestra and Dramatic Club.

The regular attendance of the Tamworth pupils at school socials as well as athletic events proves that this group has become one of the most loyal at the school's extra-curricular functions. The scholastic achievement, the excellent daily attendance and the fact that but one of the 37 registered from Tamworth has left school give evidence that with diverse educational opportunities and adequate challenge this group is above average.

Respectfully submitted,
HAMMOND A. YOUNG
Superintendent of Schools,
Conway, N. H.
